

SpillTech is here for you

Isn't it amazing how almost every aspect of our lives can change – overnight? But one thing that won't change in these challenging times is SpillTech's commitment to serving our Distributor Partners.

We remain committed to providing you with products to help keep workspaces clean and healthy. Even though many of us are working remotely and practicing social distancing, we are all still busy and engaged in processing orders, manufacturing, shipping and receiving.

- We will remain open during regular business hours of **8am to 5pm EDT Mon - Fri**.
- We remain available to you for question, comments or concerns.
 - You can find contact information for any of our outside sales reps [here](#)
 - You can reach Customer Service and Order Entry Department 8am to 5pm EDT Monday through Friday at **1-800-228-3877** or sales@spilltech.com.
 - Try our Live Chat feature at our website www.spilltech.com
- You can place orders, request freight quotes, track orders, see order history, email yourself invoices - all from our website at www.spilltech.com
- Check out our online catalog at www.smartspillsolutions.com

Double Check Delivery Times!!

We are hearing from a number of carriers that a lot of deliveries are hindered by receivers who are closed for the virus or working modified hours. Please make sure you are double-checking with your customers to see if their receiving hours have changed. Then, please make sure that gets noted on your PO.

Carriers are not waiving any accessorial fees around this, so any storage fees, redelivery fees, etc. that are passed to us will be passed on to you.
